

## Purist Audio Design Connecting the HDMI Cable

1. Before attaching the Purist HDMI Cable, ensure that the cable has proper clearance. Refer to the image below for suggested measurements.

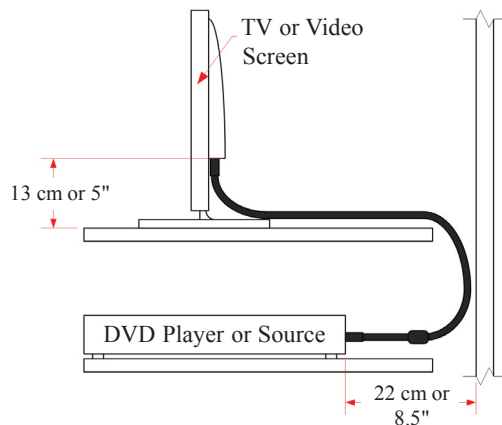

Fig 1: Suggested Clearance for Purist HDMI Cable

2. Carefully align the filter end of the HDMI cable with the back of the source.

Fig 2: Aligning the Cable

### NOTICE

*Purist warranty does not cover any defects due to accidents, improper care, negligence, normal wear and tear, the natural breakdown of colors and materials over extended time and use. Alteration of Purist products will void warranty. Legal rights under applicable national law governing the sale of consumer goods are not affected by this warranty.*

3. Attach the HDMI cable to the source.
